ZHEJIANG TOLERANCE
ELECTRIC CO.,LTD.

WHY CHOOSE US

- (1) core value: win-win, respect, integrity, reciprocity and mutual benefits.
- (2) we have rich experience in the field of wiring accessories industry and gather around higher popularity in oversea marketing.
- (3) our products have a complete range of specifications and steady good quality, to meet the need of different customers.
- (4) we adhere to the principle of win-win, built a professional electrical wiring accessories platform, we can provide anything whatever you want.

PRODUCT ADVANTAGE

1. Quality is our Culture.
2. We insist on using NEW material—refused to add recyle material. —refused to add brightaner
3. we have our own factory, so any shape products can be full customed with low cost.
4. Quality
We always put the product quality in the first place and strict quality control by third party.
The equipment we adopted is the most advanced, so our production facilities and manufacturies are of the highest industry standard.

INDUSTRY SOLUTION

1. Since established, we have been focusing on the research and development of our products
2. We adopt the most advanced equipment. so our production facilities and the level of manufacture are the highest industry standard.
3. When you receive the goods, test them. If you have any questions, contact us, we will offer the solution for you.

SERVICE & SUPPORT

1. Our service exceeds all customer expectations and we have a professional team to provide customers with accurate, comprehensive and efficient service
2. Trustworthy quality is success partner, and we try to avoid after-sales issues.
3. 24 hours service online: Welcome to consult us, we will try our best to help you.

OUR PROMISE

Quality is our Culture
Delivery time guaranteed
Superior service to satisfy customer request
Insist win-win development

COMPANY

特伦斯 Profile

Zhejiang Tolerance Electrical Co. Ltd. is a professional manufacturer of wiring accessories factory. After building our own factory, Tolerance focuses on the R & D, production and sale various kinds of wiring accessories all the time. The main products includes cable clips, expand plugs, self adhesive tie mount, saddle type tie mount, cable glands, spiral wrapping bands, stainless steel ties and so on. Our products are mainly applied in housing decoration wiring, wiring of building engineering, sets of electrical wiring, wiring of the shipbuilding industry, communication engineering wiring, light industry and heavy industry, meanwhile, the quality of our products enjoy great popularity at home and abroad.

Our company specializes in improving the quality of the products and meet with the requirement of different countries in order to satisfy with the different customer. Recent years, we establish a good cooperration relation with our main customers, such as, New Delhi of India, Dhaka of Bangladesh, Johannesburg of South Africa, Moscow of Russia, Incheon of South Korea, United Arab Emirates ect. In these countries, our products has occupied a certain market share in the local. At the same time, our products are recognized by these customers, no matter what its quality or appearance of internal and external packaging.

Tolerance will countine to improve the quality and service of products and commit to innovate technology in oreder to meet with the different requirement from globe market. In the future, our company is dedicating in carrying forward the spirit of "Tolerance, for wisdom and different".
